PROPOSER QUESTIONS – ARCHITECTURAL AND ENGINEERING SERVICES

Release Date: Friday October 16, 2026

The following questions were submitted to procurement@pchawa.org prior to the question submission deadline. The final deadline for respondents to submit their proposal to this RFP remains Friday, October 23rd, 2026, at 11:59 PM.

Question 1: Does Housing Pierce County want us to include potential subconsultants for all disciplines outlined in the RFQ? If subconsultants are permitted, would the additional two pages allotted to multidisciplinary firms apply to our page count?

Firms should highlight their firm's experience and not subconsultants.

Question 2: Has Housing Pierce County identified any specific projects that would fall under the scope of this contract?

No, there are no specific projects identified at this time.

Question 3: Are hyperlinks to supplemental documents permitted within the submitted PDF?

HPC's preference is to include all documents within the RFQ. If a firm provides links, it is their responsibility to confirm HPC staff can access the links to evaluate the information.

Question 4: Do the cover, table of contents, back cover, and required forms count toward the page limit?

No, transition pages will not count towards the page limit.

All other terms and conditions of the RFQ 2026-01 remain unchanged.
